## ASI Business Solutions named to Dallas Business Journal's "The List" of area's largest office equipment companies

DALLAS, TX, ISSUED January 5, 2010.... ASI Business Solutions ([www.asibiz.com](http://www.asibiz.com)), the premier, locally owned and operated office technology provider for Dallas/Fort Worth since 1989, has been named to Dallas Business Journal's "The List" as one of the metroplex's largest office equipment companies.

Published recently in the Dallas Business Journal 2010 Book of Lists, the list provides a unique source to track the progress of local sectors and the key companies within them. ASI Business Solutions was ranked as the 11<sup>th</sup> largest office equipment company in the region.

ASI, which earned its place on the list by its ranking in local gross billings from equipment sales, is located in the heart of the Dallas/Fort Worth Metroplex with all resources under one roof: corporate offices, technology demonstration portal, service department and warehouse. Moreover, ASI is one of the few in its industry to offer complete concept to fulfillment equipment and solutions.

ASI Business Solutions has been providing customized document management solutions since 1989 and works with key industry manufacturers including Lanier, Lexmark, Hewlett-Packard, and FP Mailing Solutions. As a seven-time Elite Dealer Award Recipient, ASI has been recognized as one of the nation's top 100 office equipment and supplies dealers.

"This past year we celebrated 20 years in business. Our success is due to a loyal customer base and we are pleased with our continued growth and the services we provide," said Ken Copeland, President of ASI Business Solutions. "The ASI team is unique in our industry, continuously staying ahead of the new products and certifications, empowering our clients with the ability to manage the entire document life cycle from inception to mailing."
