GZA GeoEnvironmental, Inc. Awarded Contract for the Veteran's Memorial Bridge in Portland ME

PORTLAND, ME AND NORWOOD, MA...ISSUED JULY 21, 2010...GZA GeoEnvironmental Inc., a leading environmental and geotechnical consulting firm, has been named as the geotechnical subconsultant of the Reed & Reed – T.Y. Lin International Design Build team for the Maine Department of Transportation Veteran's Memorial Bridge project in South Portland and Portland, Maine.

The bids were opened in January of this year and the team received the highest technical score and the lowest, price, best value of the three short listed firms that submitted bids for the job. The winning bid was \$63,122,000. The project includes replacing an existing 2,000-foot long bridge with a new bridge carrying 4 automobile lanes and a bicycle lane along Route 1A over the Fore River from South Portland to Portland Maine. Chris Snow, PE of GZA is the project manager and Russ Morgan, PE and Walt Jaworski, PE, ScD of GZA are the principal in charge and consultant/reviewer.

The same team has also been named to the final bid list for their technical design proposals for the Howard-Piscataquis Bridge Design-Build project in Howland, Maine and the Canaan-Pittsfield Sibley Pond Bridge Design-Build project in Cannan and Pittsfield, Maine.

"We are pleased to have the opportunity to partner with this talented team of professionals," said William R. Beloff, President and CEO of GZA GeoEnvironmental, Inc. "We congratulate the team for winning the bid for the Veteran's Memorial Bridge and we look forward to the completion of this important infrastructure project."
