ProEx Physical Therapy to open Somersworth, NH clinic

SOMERSWORTH, NH, ISSUED FEBRUARY 4, 2010...ProEx, a physical therapist owned private practice specializing in orthopedics, spine and sports medicine, announces the March 2010 opening of its Somersworth, New Hampshire clinic, located at 475 High Street.

Situated just north of the busy Weeks Crossing intersection in Dover, the 2600 square foot clinic is slated to open in early March. The new facility was designed to meet all patients' needs and will feature state-of-the-art equipment, a comfortable atmosphere with plenty of natural sun light, and a friendly and experienced staff.

Nicole McManus, MSPT has been named Clinic Manager of the new Somersworth clinic. Nicole has been with the company for the last 9 years, most recently as staff physical therapist in Epping.

"Being able to deliver our service to the communities that our patients live and work is important to ProEx, so it is with great pleasure that we announce our new facility in Somersworth," said Joe Dattilo PT, Co-Owner and Regional Clinical Director of ProEx Physical Therapy. "We've developed many strong patient and physician relationships in the Somersworth area over the years; we look forward to providing the best possible experience for our patients in this brand new facility."

About ProEx Physical Therapy

ProEx Physical Therapy is the new name of Mulrenan and Stratham Physical Therapy. The practice was established in 2001 and has locations in Woburn, Springfield, Boston and newly opened Haverhill, MA; Stratham and Epping, NH; and Farmington, CT. The company maintains administrative offices in Kittery, ME. The staff of sports medicine and orthopedic physical therapists treats patients of all ages from children to high-level athletes to geriatric patients. ProEx Physical Therapy is the official Athletic Trainers to various sports organizations throughout New England. For additional information, please call 877-776-9843 or visit www.PROexPT.com
