Sandy Alemian authors second book, *What was God Thinking?!* A heart-warming dialog for the journey back to love

East Bridgewater, MA, ISSUED February 25, 2011...Nationally recognized motivational speaker Sandy Alemian offers readers an inspiring message of hope and love with the publication of her second book, *What was God Thinking?!*, now available online through Barnes and Noble and Amazon.

What was God Thinking ?! picks up a dialog that Alemian began in her first book, *Congratulations... It's an Angel*, where she shared the clarity and understanding she received after asking heartfelt questions of God, following the loss of her one month old daughter.

"I imagine that God speaks to each one of us in a unique way, in a way that is familiar to each of us. This written dialog happens to be the way that is most comfortable for me," said Alemian. "My desire is that each reader is able to see themselves through my life experiences and through them come to know the compassionate, at times humorous, always loving presence I call God."

Through this beautiful, healing and thought-provoking conversation Alemian shares, not only her challenges, but those of so many , around the themes of loss, relationships, finances, fear, truth and self-esteem. The more she questions, the more profoundly the answers come, and Alemian herself, is in awe as the journey back to love is revealed and simple truths about why we're here, the purpose of life, and the possibilities of peace on earth.

Through her compelling written and spoken word, and her compassionate heart, Alemian inspires her audiences to see life through the eyes of love. The depth of her wisdom, blended with her engaging humor, create a unique form of healing that helps people release themselves from fear, guilt, worry and grief, so they can feel the limitless possibilities of peace, love and joy once again.
