## **Acella Construction Welcomes George Lloyd as Project Coordinator**

NORWELL and PEMBROKE, MA, ISSUED AUGUST 26, 2019...Acella Construction Corporation ([www.acellaconstruction.com](http://www.acellaconstruction.com)), a leader in construction management throughout greater Boston, today announced that George Lloyd, resident of Norwell, MA, has joined the firm as Project Coordinator.

In this role, Lloyd will oversee all phases of construction projects, working with architects, engineers, field superintendents and subcontractors and coordinating the day-to-day aspects of each project.

Most recently, Lloyd worked for a construction company located on Cape Cod, where he was responsible for overseeing scheduling, materials ordering, progress tracking, sales tracking, time tracking, and job costing. He has also been responsible for leading two charity golf tournaments that offered scholarships to local students. Lloyd studied chemical engineering at University of Massachusetts, Amherst.

“We’re excited to welcome George to the growing Acella family,” said Dave Dirubbo, founder and president of Acella Construction Corporation. “George’s enthusiasm and ability to build relationships combined with his construction experience fits in well with the Acella philosophy of ‘Building Projects, One Relationship at a Time,’ and we are happy to have him as part of the team.”

### **About Acella Construction Corporation**

Founded in 2003, Acella delivers a premium suite of construction management services, including design-build and pre-construction solutions for business owners, commercial real estate developers, and discerning institutional and retail clients.

Acella is located at 38 Washington Street, Pembroke, MA 02359. For more information, please visit or call 781.681.9240.
