Office Gallery International Wins Wicked Local 24th Annual Readers Choice Awards

NORWOOD, MA, ISSUED JULY 12, 2019...Office Gallery International (www.officegallery.net), a Norwood, MA-based leading provider of office furniture and design services for the business community since 1989, is proud to announce that the company was recently named the number one choice in the Furniture Store category of the Wicked Local Annual Readers Choice Awards for Norwood.

The year's edition marks the 24th anniversary of the Readers Choice Awards, compiled by Wicked Local Media Solutions. For more than 20 years, readers have been voting on their favorite places, services and things to do in and around their communities.

Office Gallery has been providing Boston-area businesses with office furniture and design services since 1989. A state-of-the-art showroom features modern, traditional, and custom office furniture for a clientele ranging from start-ups to Fortune 500 companies. In addition to customized office furniture selections, the company offers a high-tech approach to furniture selection and visualization, including the Tec Slate interview display screen. Office Gallery's quality products and expertise makes them a top-choice office supply provider for local and nationwide businesses alike.

"We are honored to win this award, and we are grateful for the recognition" said Michael Troia, CEO and co-owner of Office Gallery International. "Thank you to everyone who voted for us – we sincerely appreciate the support!"

About Office Gallery International

For 30 years, Office Gallery International (<http://officegallery.net>) has been one of Boston's most trusted office furniture suppliers. With longstanding relationships throughout the community and with furniture suppliers nationwide, Office Gallery helps companies of all sizes with their office furniture and design needs. Founded in 1989, current owners Michael and Hilary Troia, who already had a longstanding history of work experience with the company, purchased Office Gallery International from the founders Allen and Gwen Wluka in 2016. A state-of-the-art showroom features modern, traditional, and custom office furniture for a clientele ranging from start-ups to Fortune 500 companies. In addition to customized office furniture selections, Office Gallery International offers a high-tech approach to furniture selection and visualization, including the Tec Slate interview display screen. Office Gallery International maintains offices at 68 Vanderbilt Avenue, Norwood, MA 02062. For additional information, please call (781) 762-3733 or visit <http://officegallery.net>.
