## **Neil San Diego Daniel Joins JACA Architects as Designer**

N. QUINCY and BOSTON, MA, ISSUED NOVEMBER 18, 2019...JACA Architects ([www.jacaarchitects.com](http://www.jacaarchitects.com)), one of New England's premier healthcare-exclusive architectural firms, is pleased to announce that Neil San Diego Daniel has been named a Designer.

Daniel joins JACA Architects in this full-time position after having interned with the firm from January to May of 2016 and April through December of 2017. During his internships with JACA, he assisted senior staff with various tasks from schematic design through construction administration.

Previous to coming on board with JACA Architects in his capacity as Designer, Daniel was the In-House Designer for Family & Children's Service of Greater Lynn. He is also a former Youth Mentor with the agency, aiding youth ages 7-10 with educational and personal issues.

A resident of Boston, Daniel earned both his Bachelor of Science and Master's Degrees in Architecture from Wentworth Institute of Technology.

He is the Founder of Youth Environmental Leaders of Lynn (YELL), a joint partnership with United Way Youth Venture, and the Founder and Co-President of Wentworth Institute of Technology's National Organization of Minority Architect Students.

"It's great to both welcome back and announce Neil as a Designer," said Bill Epp, president of JACA Architects. "His commitment to the industry, energy and enthusiasm for the work we do at JACA was evident when Daniel interned with us; we know he will be a valued full-time member of our fine professional team."
